

REMARKS

This Amendment is submitted in response to the Office Action mailed August 8, 2002, and is submitted by the current due date of February 10, 2003. In the Office Action, the Examiner rejected Claims 1-10 for the reasons of record, citing the Camaisa and Padmanabhan references. Applicant has cancelled without prejudice Claims 1-10 and is submitting new Claims 11- 21 for consideration.

Camisa is not believed to show or teach, even if combined with Padmanabhan, a full function mobile device that has the communication capability of a cellular telephone as recited in new Claims 11-21. Camaisa refers to a portable ordering system that is believed to be exclusively based on a visual ordering system that is driven by images of menu items and their attributes.

Respectfully submitted,
